About Sanlam

Sanlam has been one of South Africa's leading insurers for over 100 years. Over this time, we have always believed in working hard to achieve success – both for ourselves and our clients.

We don't believe in short cuts, cutting corners and leave no stone unturned. That's why we roll up our sleeves and properly go about our business of making our clients' money work as hard for them as they did for it. Because we believe if something's worth doing, it's worth doing very, very well.
